Interdependence

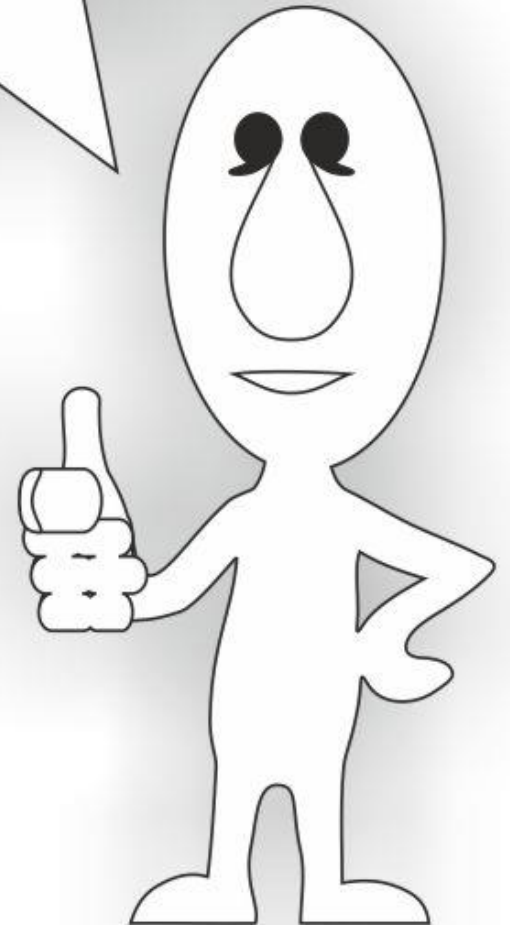

CELLS

**What's the
Big Idea?**

**If it's a
living thing**

FORCES

**What's the
Big Idea?**

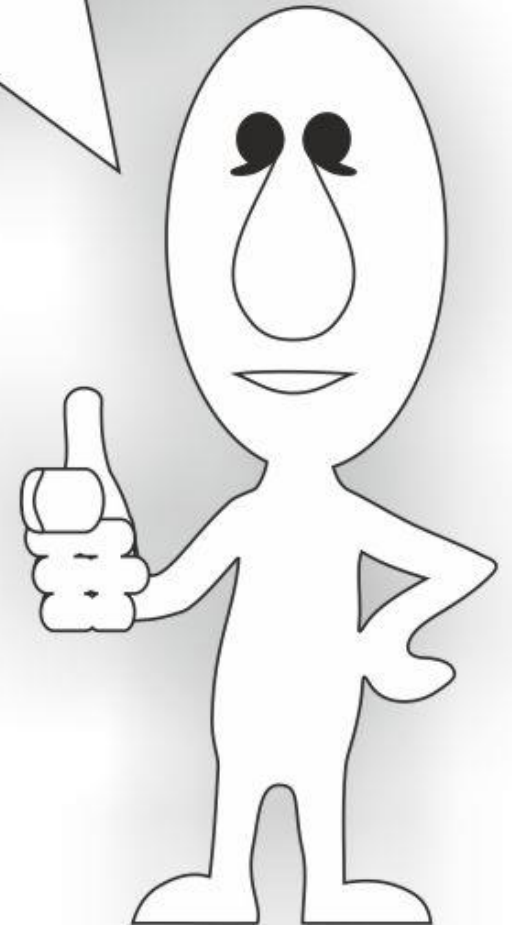

**If it changes
Shape
Speed or
Direction**

ENERGY

**What's the
Big Idea?**

**If something
happens
eg Change in
temperature**

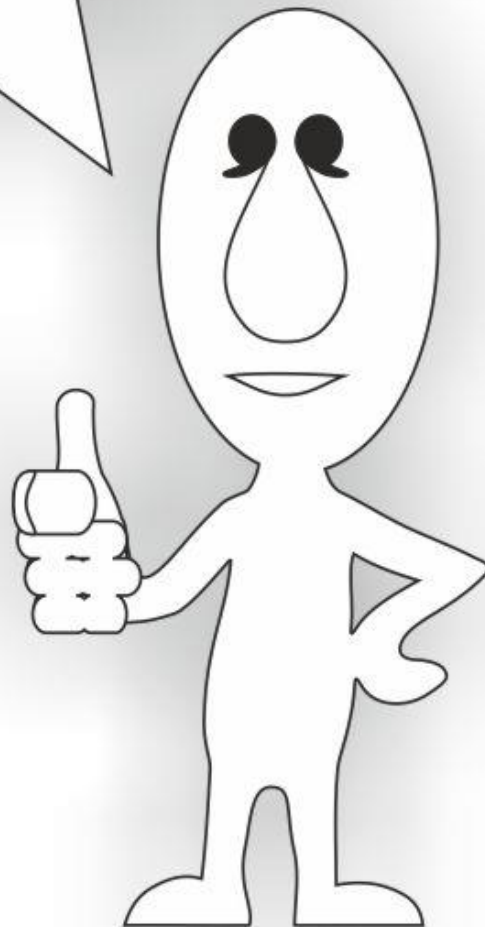

Particles

**What's the
Big Idea?**

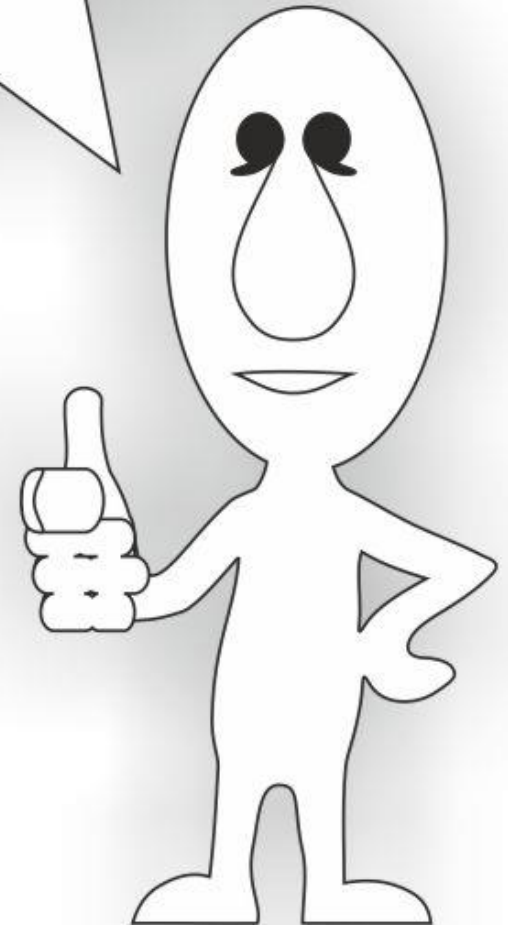

**If it made of
matter.
Chemical
reaction**

**What's the
Big Idea?**

**If the actions
of one affects
another**

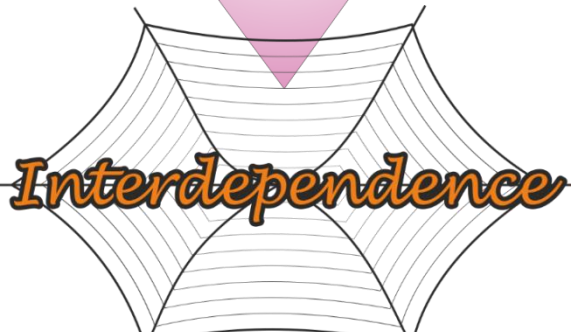

ENERGY

FORCES

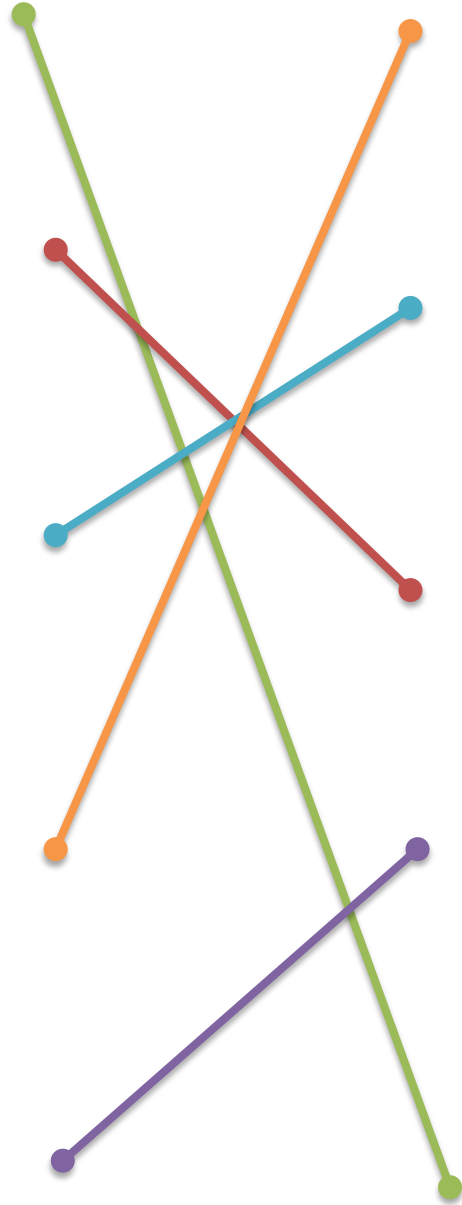

If it changes Shape
Speed or Direction

If it made of matter.
Chemical reaction

If something happens

If the actions of one
affects another

If it's a living thing

If it made of matter.

Chemical reaction

If it's a living thing

If something happens

**If it changes Shape
Speed or Direction**

**If the actions of one
affects another**
